JUSTIN BITUIN

ABOUT MYSELF

I'm a computer engineering student with a passion for coding. I may be a beginner, but my enthusiasm for learning is boundless. Join me on my journey as I explore the world of code and technology.

EXPERIENCE

Dashmarie07 Shop

2021

I work at a shop in Manila, and part of my job involves inputting data into the business's Excel sheets. I've also edited the shop's logo previously, and I have knowledge of HTML and CSS to create awesome websites. I created and designed a website for the shop, but the project didn't continue because I worked there for only 3 or 4 months.
